

SILAS FULLER.

---

MAY 26, 1842.

Laid upon the table.

---

Mr. SANFORD, from the Committee on Invalid Pensions, made the following

REPORT :

*The Committee on Invalid Pensions, to whom was referred the petition of Silas Fuller, report :*

That the said petitioner was inscribed on the pension list, at the rate of twenty-two dollars and fifty cents per month, commencing on the 13th day of April, 1830. He now asks Congress to pass an act to authorize the payment to him of twenty-two dollars and fifty cents per month from the 1st day of July, 1815, to the time he was inscribed on the pension roll, viz : April 13, 1830. The committee believe that the said petitioner was made a pensioner at the date of the completion of the proper testimony ; and the papers in his case present no good reason why his prayer should be granted.
